COMPANY

## **ABOUT US**

With a foundation built nearly a decade of experience in the oil and gas sector, Felix Mitch Limited delivers specialized solutions across construction, inspections, maintenance, and engineering consultancy.

Our core team, comprised of highly skilled engineers, technicians, and consultants, is dedicated to providing tailored services that drive operational excellence. Strategically headquartered in Port Harcourt, we are well-positioned to support regional growth and international market expansion.

We prioritize excellence and innovation in every project. Our dedicated team combines industry expertise with cutting-edge technology to provide solutions tailored to our clients' unique needs. We believe that the key to success lies in understanding the challenges faced by our partners and delivering results that not only meet but exceed their expectations.

Our commitment to quality and sustainability drives us to continuously improve our processes and services. We value the relationships we build with our clients and aim to create a collaborative environment where ideas flourish and projects succeed.

## COMPANY

### **MISSION**

To provide the Nigerian oil and gas industry with highly qualified manpower and environmentally friendly solutions at short notice. We are committed to delivering quality materials that meet specifications within the agreed timeframe. We offer first-class services in engineering, maintenance, installation, construction, and environmental solutions, all delivered safely, efficiently, and cost-effectively.

## COMPANY

### **VISION**

To harness our human and material resources to make a positive impact on humanity, striving to be the leading Nigerian company in project management, engineering, and environmental services for the oil and gas industry, with a strong focus on maximizing local content.

## COMPANY

### **Ambition**

Our ambition is to empower the Nigerian oil and gas industry to embrace innovative, sustainable practices that enhance operational efficiency and environmental stewardship. By prioritizing the development of skilled local manpower and delivering top-quality services, we aim to transform the energy landscape, ensuring a cleaner and more sustainable future for generations to come.

COMPANY

## CORE VALUES

### Safety & Operational Integrity

Our goal is to lead the Oil & Gas Safety is at the heart of everything we do. We prioritize the health and well-being of our team and partners, maintaining the highest standards of operational integrity and safety compliance.

### Team-Driven Excellence

Our approach is rooted in collaboration and expertise. We cultivate a family-oriented culture where our skilled professionals are empowered to deliver top-notch results.

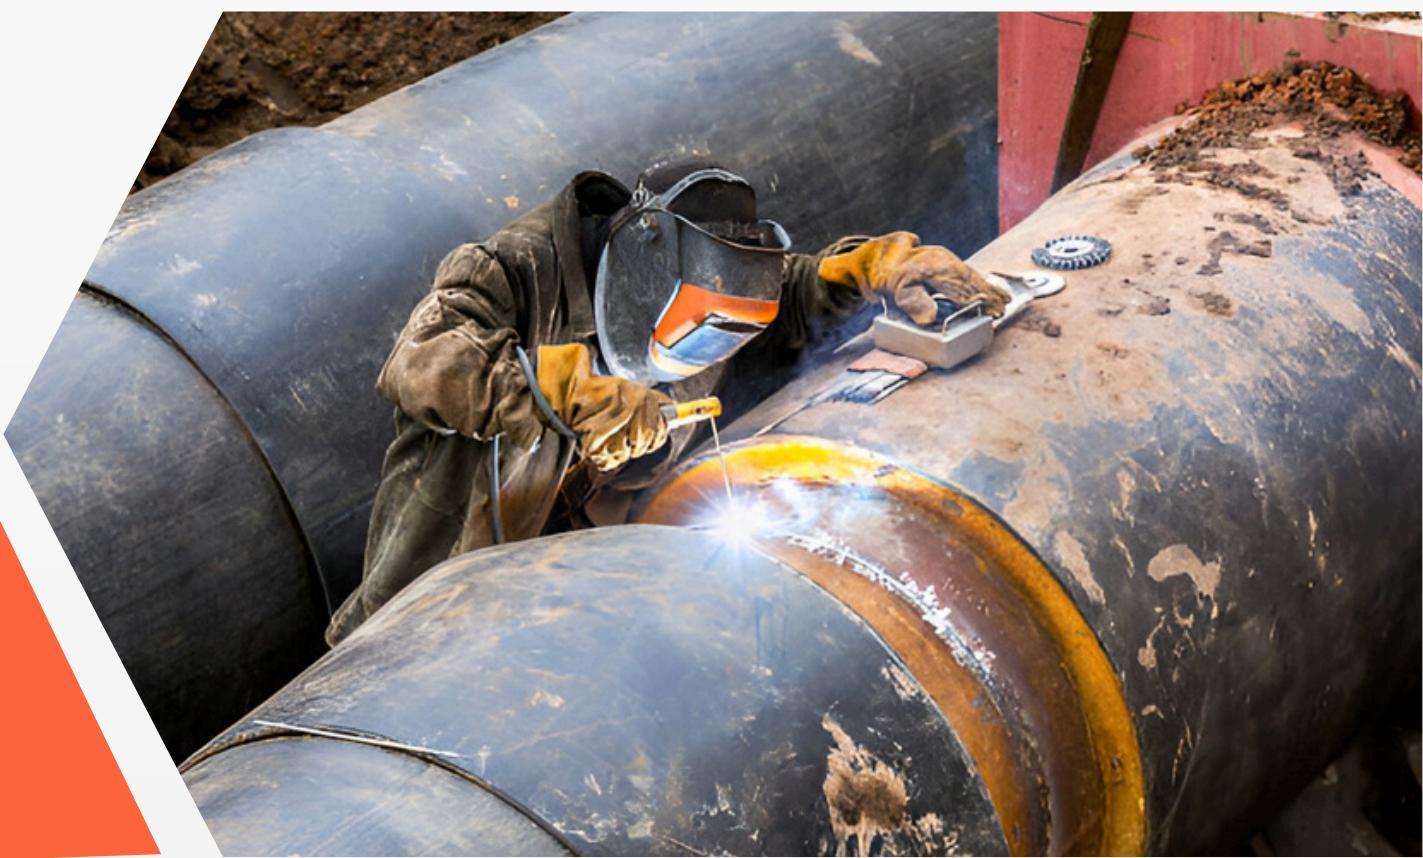

### Client-Focused Solutions

We aim to provide tailored, industry-specific solutions that align with our clients' unique needs and goals, forging partnerships built on trust, quality, and reliability.

### Built for Durability

We focus on long-term, weatherproofed solutions that are designed to stand the test of time and perform under the toughest conditions in the energy sector.

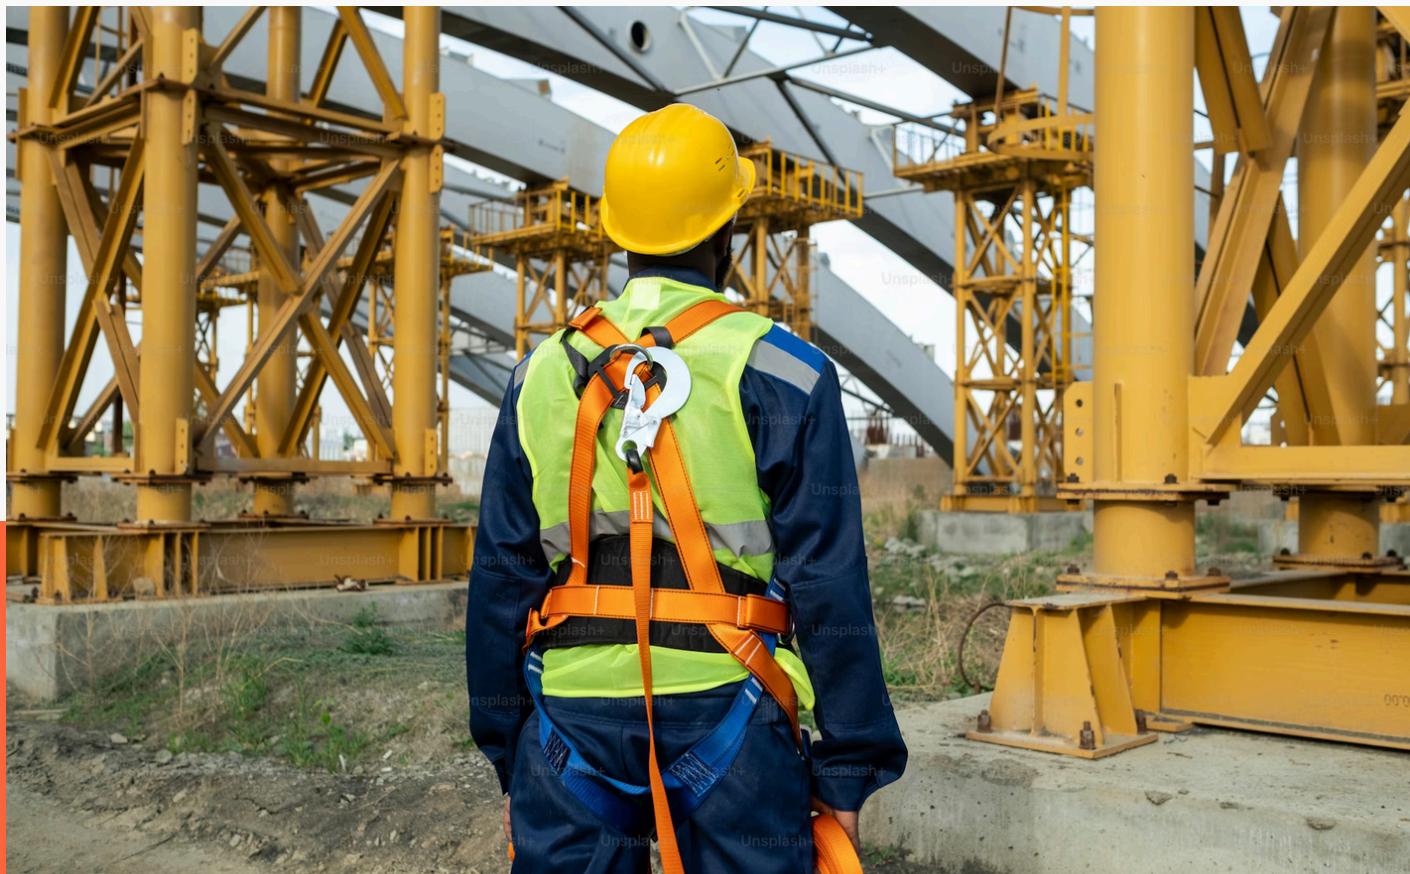

## WHY CHOOSE US?

# 9+ YEARS OF EXCELLENCE IN OILFIELD SERVICES

Backed by nearly a decade of industry knowledge, Felix Mitch Limited has consistently delivered top-notch services, focusing on reliability, safety, and client satisfaction in the oil and gas industry.

We bring specialized expertise to every project, from construction to maintenance and inspections.

- ✓ Industry-certified expertise and compliance.
- ✓ Comprehensive inspection and maintenance services.
- ✓ Modern solutions to complex challenges.
- ✓ Proven track record in successful project delivery.

COMPANY

## OUR APPROACH TO PROJECTS

At Felixmitch Limited, our project approach is built on a foundation of precision, safety, and client collaboration. We believe that delivering outstanding results requires not only advanced equipment and expertise but also a meticulous process that ensures quality at every stage.

### Thorough Planning & Assessment

Every project begins with an in-depth assessment, where we analyze project requirements, site conditions, and unique client needs. This stage allows us to create a tailored plan that addresses potential challenges before they arise.

### Client Collaboration & Transparency

We keep our clients informed and involved, fostering an environment of transparency and trust. Regular updates and open communication ensure that our clients understand each phase of the project and have confidence in our progress.

### Uncompromised Safety Standards

We keep our clients informed and involved, fostering an environment of transparency and trust. Regular updates and open communication ensure that our clients understand each phase of the project and have confidence in our progress.

### Commitment to Quality Assurance

Our focus on quality assurance is what sets us apart. We conduct rigorous checks and testing throughout each project phase, guaranteeing that our work meets both our clients' expectations and the highest industry standards.

By choosing Felix Mitch Limited, you're partnering with a team that values quality, reliability, and a structured, client-focused approach to every project.

## OUR COMPANY

# OUR SERVICES

We deliver innovative, client-centered services that meet the diverse needs of the energy industry, promoting efficient and sustainable operations. Our adaptable approach ensures we tackle each project's unique challenges. We are dedicated to driving long-term success for our clients.

### OIL SPILL ASSESSMENT

### WELL COMPLETION

### PIPELINE MAINTENANCE

### MAINTENANCE SUPPORT

### MANPOWER SUPPLY

## OIL SPILL ASSESSMENT

Our post-impact consultancy services provide expert evaluations on oil spills, helping mitigate environmental damage and offering strategies for remediation and recovery.

## WELL COMPLETION

Our well completion services ensure efficient extraction and production, supporting oil and gas operations from initial design through to final implementation.

## Pipeline Maintenance

We specialize in the inspection, repair, and maintenance of pipeline infrastructure, ensuring the safety and efficiency of your energy distribution networks.

## Maintenance Support

From electrical to mechanical and instrumentation systems, our maintenance services ensure your equipment operates at optimal performance with minimal downtime.

## FABRICATION AND CONSTRUCTION

Our team provides tailored fabrication and construction services, delivering high-quality infrastructure projects that meet your specific operational needs.

## QA/QC INSPECTION

We offer thorough quality assurance and quality control services to ensure compliance with industry standards and guarantee the highest level of safety and reliability in your operations.

## CIVIL CONSTRUCTION

We handle civil construction projects from foundation to completion, offering expertise in roads, bridges, and large-scale infrastructure developments.

## OIL TOOLS PROCUREMENT

We source and supply high-quality oilfield tools and equipment, ensuring that your operations run smoothly with reliable tools that meet industry standards.

## MANPOWER SUPPLY

We provide highly skilled personnel across various industries. Our manpower supply services ensure that you have the right experts on the job, whether for temporary projects or long-term staffing needs.

## METERING SYSTEM

We deliver advanced solutions for precise measurement and monitoring of fluid and gas flows, ensuring efficiency, regulatory compliance, and optimized resource management.

## COMPANY

# PARTNER WITH PRECISION. EXECUTE WITH EXCELLENCE.

We are dedicated to understanding your needs, meticulously planning each step, and executing projects with precision. Our commitment to delivering tailored solutions and industry-leading services sets us apart. From project initiation to completion, we strive to exceed expectations and drive success in every endeavor.
